

Hello

My name is Arvid. I live in Luleå with my dad my mom and my three sisters. My sisters Sara, Lovisa and Hanna are 9, 15 and 19 years old. I like to ride my bicycle and twerk. I also like fishing with my dad and last year I got a salmon that weight almost eleven kilograms I don't now how many pounds that is but you will probably figure that out. Here in Luleå the summers are really warm and the winters are really cold. In the winter we have a lot of snow and all rivers and streams are frozen. On my spare time I skii. I love skiing in the deep snow but I also race. some of you might now who Mikaela Shiffrin is, I met her last year on the worldcup in Åre.

My dad and my three sisters are all skiing my dad is a trainer in lulea alpina, the club were i ski. The slope were I train in is just outside luleå and is called måttsund. On the summer they have mountain bike downhill tracks in the slope. I love downhill mountain biking and jumping with my bike. On the winter i like to go snowmobiling in deep snow.

My favorite food is american pancakes with nutella, our swedish pancakes are very flat and bigger but they are not as tasty as american pancakes. I like cooking food. I like hiking too. Last summer me and my dad went hiking in the swedish laplands. And everywhere I looked there was amazing views. I have some questions for you, what do you do in your spare time ? Do you play some sports ? How many pupils

are there in your school ? Whats your favorite food ?
Thats all my questions.

Hope to hear from you soon! Here's a picture of me
