

Hello my name is Emil. I live here in Luleå with my family. I love to play ice hockey and tennis. On my spare time I like to chill with my friend, play bandy and soccer, I like to go fishing. Last year I got a fish on the 5,3 kg. I love to go snowmobile at my cabin located in a place called Jokkmokk it takes two hours to go there.

I want to tell you about my family now. My mum is 38 years old she was born in Jokkmokk she worked with selling apartments in her leisure: she likes to cook, work out and spend time with her family and friends. My dad is 40 years old he was born in Bergnäset he worked with selling cars at his leisure he likes to snowmobile, train and run a boat. My sister is 8 years old at her leisure she likes to chill with friends, play basketball and play cards.

Now I'll tell you a bit more about Luleå where we live. Luleå is a nice town with a lot of shopping. There is good food, many cafes and good service at all places in town. It is not just the city that's good it's really good nature we have here in Luleå. There I live called Bällinge it is a very good place you can do a lot of things such as play basketball, play bandy, play football, run, scooter and play table tennis in our indoor courtyard where we can play and do a lot else. My school's name is Bergsskolan. Bergsskolan is a very good school my favourite subjects are P.E, math and no.

There is much to do on Bergsskolan on the schoolbreak we used to play a lot of table tennis.
