

Hello

My name is Hugo. I am 13 years old and live in Lulea. I love soccer and playing FIFA. I'm waiting for FIFA 15 right now. I play football in our local team. We are pretty good. We start school 8:00 pm. It is early in the morning. I play floor ball to. Do you know what that is? Try google it. I google a lot.

I have an older brother. He is 16 years old. I've been to New York. What do you do in your free time? I play Ps3. Do you play any video games? We have school computers. It's PC's but I rather have Mac's because I like Mac better. It is very nice here. Lulea is in north of Sweden. In the summer we use our boat a lot. It is super fun and relaxing. We are boating in the archipelago of Lulea.

I have been to USA, (Brooklyn) it is very nice there it was a cool experience to be in New York. I loved the city and should like to go there again. I was on a New York Rangers game and I really loved it. It is cool to be from the same country as Henrik Lundqvist. The game was in Madison Square Garden. Do you like hockey or do you like anything else than sports?

In the winter we are skiing downhill. It's super fun I promise. Here we have hills to do that in our town. I love to go fast down the hill. Here in Lulea we also drive snowmobiles. We are driving on the ice between the islands. We also drive in the woods. In our woods close to the city there can be elks. The elks are even walking on the streets sometimes.

Lulea is very north on the earth. Close to the Arctic Circle. It can be cold here in the winters. It can be down to -30 degrees Fahrenheit. But it can be very warm here to. This year Lulea had most sun hours of the whole Sweden. It was a very good summer. We went to different beaches with our boat a lot of times.

Have you seen the show Cake Boss? If you don't have seen it, you should. Cake Boss is a great program on TV. They make cakes and a lot of other great stuff. I think I love it because I love cake so much. When I was in New York my family and I went to one of Cake Boss stores and bought a big cookie. I got a plastic bag from there that I keep in my room. I watch a lot of TV because I think TV is fun and entertaining to watch. I watch How I met your mother and other great TV shows. I'm crazy in Walking Dead it is my absolutely favorite TV show of all time. I mean it's so good. Have you ever seen Walking Dead? It's a program about zombies but they call them walkers. I've finished with season 4 and I am waiting for season 5. Season 5 comes out October. I'm so excited for it.

I'm excited for your respond. /Hugo
