

# HELLO!

---

My name is Julia Bäck and I'm thirteen years old. I live in Sweden, Norrbotten, Luleå. My family involves my dad, my mom and eleven children, we are nine girls and two boys. We live in a big red house with a big garden. Me and my family likes to be in Tärnaby, we usually go there at our east vacation and sometimes at summer. When we are there we live in a big flat, and in the Winter we bring our snowmobile and skiing stuffs. My family like pets, so we have a lot of pets.

On my sparetime I like to play soccer, basketball, go skiing and ride snowmobile in the mountains, be with my friends, and obviously with my family. My favorite pet is dogs, we have one dog. Which is a mix between Dogo Canario and Rottweiler. She's a girl, and her name is Lillan, and this is she 😊

Then we have hamsters, guinea-pigs and a rabbit. I play football in Alviks IK, and Basketball in Antnäs BK.

The name of my school is Bergskolan, it's a very good school. In my school we have computers, so we work on them very much. Two times a week we have a class called "LÄS", which is like an extra class in our schedule where we get the ability to catch

up in some subjects. Like I said I like to sport a lot, so in school we have sport two times in week, then I have soccer two times a week  
😊

The teachers in my school are nice.
